

# Christmas Stocking Project

Did you know many children who celebrate Christmas do not receive a gift? Some have NEVER received one! This is your opportunity to GIVE them a gift this Christmas.

The Christmas Stocking Project is a great way to provide children with not only 1 but 3 great gifts.

1

## Gift of Love

Your stocking will show a child someone cares for them.

2

## Gift of Encouragement

Your card will tell them God loves them.

3

## Gift of the Good News

Your gift will help our team share the greatest story ever told!

By simply making a stocking for a child in need, you are impacting a life! Our teams in Latin America will fill the stockings YOU made with your \$15 donation!

The stockings, along with the Christmas story, are then presented to children in impoverished communities and the children at our Life Centers.

# Must arrive in FL by Dec. 7th!

Jump in on the impact by making one or many stockings! Help us spread the Word. Together, we can impact children this Christmas!
